Foreword

Bowling is one of the most healthful indoor recreations; it exercises every muscle in the body, teaches one to be accurate and develops a resolute control of arms and legs. It gives recreation, diversion, pleasure and healthful exercise to more people than any other sport for every month in the year in that it is primarily a game for participants.

Great strides have been made in the growth of the game nationally since the organization of the American Bowling Congress, and also locally since our own Association was formed.

Only through your co-operation is it possible to make this book complete in its information and items of interest to you, and its aim is to help you know bowlers and bowling better in the Louisville area.

In this 1966 Edition of the Year Book, names of bowlers are listed alphabetically, showing all official averages for the season of 1965-66. Official averages are based on 21 games or more as per our rules. Preceding the averages (blue section) is a code identifying the league and lanes where the average was established.

All material, cuts, and wording used in ads were submitted by the advertisers, and in no way reflects the opinion of the publisher; nor should it be considered an endorsement by the Greater Louisville Bowling Association.

We wish to extend our sincere thanks to you, and want you to know that the energy, enthusiasm and constant loyalty which has made bowling what it is today, is deeply appreciated by the officers of your City Association.

DEDICATION

This, the thirteenth edition of the Year Book in printed form, is dedicated to the Louisville Women's Bowling Association and to its many long-time leaders like Meta K. Schwarz and Nellie E. Nau.

It was the ladies, under such able guidance, who helped lift bowling to its present prominent place as a family sport in which men, women and children can compete in a clean, wholesome atmosphere that aids everyone. The women's association today numbers some 18,000 members.

From the G L B A — a salute to the L W B A!

JAMES H. CHAMBERS, SR.

President, Greater Louisville Bowling Association

James H. Chambers, Sr., Jimmie to his many friends, was elected to the Board of Directors in May, 1958. He became President of the G. L. B. A. on August 1, 1966.

Jimmie is 61 years old and has been in the printing trade for more than 30 years. He is a member of the Iroquois Civic Club, Bonnycastle Club and Moose Lodge No. 5. Working around the house is secondary to many hours spent pursuing bowling projects. If there is any spare time, Jim bowls.

At one time Jimmie carried a 185 average in a bowling career that began at the old Trinity Y. M. I. Lanes about 1920. In addition, his wife, Ruth, is also an avid bowler as is his son and stepdaughter. Bowling is a constant subject in the Chamber's household.

Within the G. L. B. A. Jimmie is known as an eager and hard worker. Having served on all of the many committees of the Board and as an officer in most of the leagues in which he has bowled. Jim has also headed

the Quarter Century Bowling Club, the Holy Name Bowling Association and since 1958 has been Chairman of the Louisville Bowling Council, spearheading its annual charity drives.

During his term of office, Jimmie is shooting for 800 teams in the 1967 City Tournament and plans a Bowlers' Instructional School to aid league officers (and others) in administering their leagues.

A MESSAGE FROM THE SECRETARY

Membership during the 1964-65 season showed a slight decrease for the first time since World War II. Again this season we are faced with the possibility of further reduction in membership.

Fortunately, this season's lag isn't harmful to our annual operating budget. However the cause for this condition gives some concern. In that regard, we find that the decrease in membership is attributed to a number of factors, including the following:

1. The trend toward mixed leagues.
2. Many all-male leagues are also formed with less than five men per team.
3. Fewer facilities are available, some of these leagues are lost.

The Greater Louisville Junior Bowling Association program is in its 2nd season; unlike the national picture of an overall increase of 6% over last year, we are down from last year. I am sure you realize we are new in this and with the fact that two

Junior programs are in existence, it is important that we keep abreast of this program and push for a common goal for the coming years of developing new bowlers and keep the established bowler in the game.

Anything you can do to help introduce Juniors to the game and to bring new groups into bowling certainly is a step in the right direction.

This year showed a slight decrease in hearings involving league shortages and misappropriation of league fees.

The question might arise as to whether the decrease can be attributed to the amendment to Rule 106 which was adopted last year. This permits a league to adopt a rule providing for the forfeiture of games where team members are not current with their fee payments. The new rule also provides that if a league does not adopt and enforce such a rule, it is held responsible for recovery of any loss. In other words, if the league does not do its job of taking care of this problem it has little justification for asking the local association and ABC to handle it.

It's hard to say this rule is the cause of the decrease, as it takes some time before leagues become familiar with such rules. However I believe this is a step in the right direction.

Even with a decrease in leagues, filing applications for misappropriation of league funds, none have been paid more than 50% of their loss, most, much less. To be covered 100%, a league must be sanctioned within the 42 day grace period, deposit funds in a recognized bank or credit union in the name of the league and have two signatures for withdrawal. The president would have to check the account every month and if any shortage existed, would only have to file a claim and the entire shortage would be paid.

If there is a shortage and the president has failed to verify the bank account, he is subject to suspension from ABC membership.

Again let me remind you that this Association has a representative at all establishments for your assistance. Should you need any help in getting your league sanctioned or to settle any problems in your league, please feel free to contact him. His name and phone number is posted in a conspicuous place.

I would like to take this opportunity to thank you for your cooperation shown me during the past and extend my best wishes for a successful season.

Perry A. Cruse,
Secretary, G.L.B.A.

EARLY HISTORY OF BOWLING In Louisville

The Greater Louisville Bowling Association was first a matter of formality before it became a permanent organization. The Association would hold a meeting each year just prior to the American Bowling Congress Tournament, and then each club in Louisville, that contemplated attending the ABC Tournament would pay the necessary dues. This procedure was followed each year until 1907 when a permanent organization was effected. The officers chosen for this charter organization of 1907, were E. B. Addison, President, John J. Barry, First Vice President, F. J. Manteuffel, Second Vice President, and J. L. Schiamme, Secretary-Treasurer.

(The above was taken from some old records on hand, however, from an ABC yearbook we find the following notation: Louisville was one of the first cities to form an association (1899) and join the ABC after its foundation in 1895.)

Around 1900 there was an eight-club traveling league known as the Louisville Bowling League. They rolled at Owen's Alleys at 20th and Chestnut; Keoner Bros. at 18th and Walnut; West End Alleys at 25th and Market and Obst Alleys at Hancock and Breckinridge.

The first bowling tournament in Louisville was conducted at the Owen Bowling Alleys, 635-637 S. 4th St., from June 24 through 30. The Rough Riders won the championship with a score of 2688.

Louisville was host to an American Bowling Congress Tournament in 1906 and the building used was our Armory at 6th and Walnut Sts. Sixteen lanes were installed there for use in the tournament and the event lasted eleven days, March 17 to 27. The entry list showed 221 five-man teams, 460 doubles and 897 singles. The prize list amounted to \$12,418.50.

Following the ABC Tournament held in Pittsburgh in 1910, Price Owen, Chas. Herman and Alf Martin took up the matter of classification and at the annual meeting of the LBA held in August, 1910, the classification basis proposed by Mr. Owen and the By-Laws and the Constitution of the LBA were adopted after a hard fight. Price Owen also advocated the incorporation of the LBA. Louisville then was the only City Association at that time that was incorporated and the only city that was operating its leagues on a classification basis. The wisdom of this idea has been proven by time, as all cities of any consequence as bowling centers, have adopted some form of classification in order that the low or mediocre bowler might compete in leagues with men of his own ability.

Louisville and New York City are the only city associations with the distinction of having had four men serve as President of the American Bowling Congress. The Louisville men were in order of service: In 1905-06, J. H. "Jake" Haager, a Police Chief for the City of Louisville, in 1918-19 and again in 1919-20, Robert "Bob" Brown, a local sports editor, in 1934-35, A. F. Martin, a claim agent of the L & N RR and the late John L. Sullivan, long time secretary of the LBA, in 1950-51.

To give you an idea of the growth of bowling in Louisville, in 1900 there was one team registered with the ABC. In 1910 there were 33, dropped to 22 in 1920. In 1926 we had 46 teams but 1927 brought an increase in bowling to make rapid strides, there were 187 teams registered. The number grew each year and for the 1965-66 season the Louisville area had over 7,200 teams.

The records of the association were lost for a period of years and our present records only date back to 1929.

THE BOWLING FRATERNITIES

The following articles are of associations, clubs and organizations pertinent to the bowlers of the Louisville area.

As truly as bowling is a sport it is also social and civic in its embrace, thus calling for many diversified organizations to administer its many activities. The G. L. B. A. participates in many of these clubs and is always willing to advise or assist in the formation of any new ones.

LOUISVILLE BOWLING COUNCIL

The Louisville Bowling Council has been in existence since 1948. Its purpose is best described in the slogan of "Promoting harmony among all groups identified with bowling in general". The Council consists of four members each from the G. L. B. A., L. W. B. A. and the B. P. A. L.

A prime function of the Council has been the Annual Crippled Children's Drive. Over an 18-year period these voluntary contributions have reached a grand total of \$99,255.74. The 1965 drive netted \$8,240.94 which was distributed as follows: Kentuckiana Chiropractic Center, Mgrs. Pitt's Cerebral Palsy School, Kesair Crippled Children's Hospital, Local Muscular Dystrophy, \$1,869.75 each. Indiana contributions amounted to \$253.98 each for the following: Southeastern Rehabilitation Center, Joseph Rauch Memorial School and the New Hope School for Retarded Children.

The Council also conducts Bowler's Instructional Schools. These periodical seminars are planned for all bowling establishments within the area and are designed to advance the bowler and league officers in proper bowling procedure.

Officers of the Council are: Jimmie Chambers, Chairman; Frances Sehr, First Vice-Chairman; LeRoy Campbell, Second Vice-Chairman and Nellie Nau, Secretary-Treasurer.

KENTUCKY STATE BOWLING ASSOCIATION

Hopkinsville In November, 1966

The Kentucky State Bowling Association was officially organized in the summer of 1956. Its purpose is to promote bowling in our State of Kentucky and foster good sportsmanship among our bowlers.

The K. S. B. A. and its attendant tournament has continued to grow in size and stature and has brought to the state a more common bond and a greater working knowledge of our favorite sport. The continued boom and ever-increasing installation of new lanes throughout the state calls for an even more important role for this Association.

At the Annual meeting in Ashland the following officers were elected: Charles McNally, Prestonburg, President; James Howard, Richmond, First Vice-President; Robert Coleman, Hopkinsville, Second Vice-President; Carl Walden, Lexington, Third Vice-President and Gene Wells, Louisville, Fourth Vice-President. All were elected to a term of one year. James D. Bradley of Lexington, is Secretary-Treasurer.

The eleventh annual tournament will be held in Hopkinsville on week-ends of November 12th, 19th and 26th. All of the events will be held at the Indian Hills Bowling Lanes, Canton Pike Highway No. 272.

The K. S. B. A. held its fourth annual jamboree in Frankfort on Saturday, June 11th. Others have been held in Louisville, Prestonburg and Henderson

SOUTHERN BOWLING CONGRESS

In Baton Rouge, La. In 1967

The Southern Bowling Congress, Inc held it's 29th Annual Meeting and Tournament in Columbia, South Carolina. Despite the tournament being in a fringe area, there were 325 teams and a \$25,000.00 prize fund.

At the meeting: Tom Nolen, Memphis, Tennessee, was elevated to President and Gene Wells of Louisville, was reelected Vice-President from Kentucky. Charles McNally, Prestonburg; Cecil Powell, Frankfort and Max Weinstein, Louisville, were elected Directors from Kentucky. Having served as a S. B. C. Director for ten years, Lloyd Terry, Owensboro, was voted a Life Membership and joins his fellow Kentuckians, Ed. D. Gardner, Paducah, and Jacques W. Curwen, Louisville, in that category. The 1968 tournament was awarded to Tampa, Florida, and the membership pledged 100% support of the 1967 A. B. C. Tournament in Miami.

At the Columbia Tournament, the Classic Division was dropped because of lack of interest. Tops in the tournament for Louisville were J. P. Terry and Bill Davis, who placed third in the doubles with 1290.

The 1967 S. B. C. Tournament will be in Baton Rouge, starting March 4 and continues on week ends thru April 9, 1967. Baton Rouge offers the bowlers of this area a real vacation possibility with the best in bowling, excellent fishing and true southern hospitality. For full arrangements, contact S. B. C. Secretary-Treasurer Jacques W. Curwen, 318 Biltmore Road, Phone 895-7404.

QUARTER CENTURY BOWLING ASSOCIATION

Home No. 5

The Quarter Century Bowling Association is an organization of male bowlers who participated in the game at least 25 years ago, either in open or league play. It's functions are strictly social so that the older bowlers, both active and retired, can perpetuate the pleasant friendships and experiences accumulated throughout the years.

The Association was formed in 1948 when the late Charlie Frank, Sr. enrolled some 40 charter members to form Home No. 5. They then elected George E. Graf, President; Newton Seibert, Vice-President and Matt Hillerich, Secretary.

There is no initiation or regular bowling and dues are \$2.00 a year. In April a Spring Party is held and in August an Annual Stag Outing. In December the membership convenes to elect new officers and have a Christmas Party. At all these functions food, refreshments and entertainment are always on hand.

Each year in November an Annual Singles Tournament is held for those members who care to participate. Winner of the 1965 Tournament was Orville Frederick.

There are now over 200 members but room for those who care to join the 'Old Timers' and have a good time. Any eligibles desiring to participate should contact a membership friend or call any of the officers listed.

Officers for 1966 are: Theodore Geiser, President; Joseph Kraemer, Vice-President and Secretary-Treasurer. Andrew Kostolnik, Jr., 2302 W. Lee Street, Phone 778-1549.

BOWLING PROPRIETORS ASSOCIATION OF LOUISVILLE

The Bowling Proprietors Association of Louisville was formed in 1946 by 12 proprietors of bowling establishments in Jefferson County. In 1958 the Association was reorganized and incorporated in the State of Kentucky. The B. P. A. of L. is an affiliate of the Kentucky Bowling Proprietors Association. It is the aim of this organization "To Provide The Best Service and Conditions for Bowling and its Promotion".

The member establishments (listed herein) of the Bowling Proprietors Association of Louisville present to its customers a complete awards and tournament program for the 1966-67 season. This program has been designed to acknowledge the achievements of all bowlers by providing awards based on his or her individual average.

To the youth of Kentucky, the Kentucky Youth Bowling Association offers one of the most wholesome amateur sports program in the nation under the responsibility of your B. P. A. proprietor.

This new tournament program provides the thrill of tournament bowling to every B. P. A. league bowler at the house, district and state level . . . at a very nominal cost. In two new tournaments, the "Diamond Honor Award Tournament" and the "Husband and Wife Tournament", successfully initiated this past season, the bowlers paid only for their bowling. Their participating B. P. A. member proprietor paid all additional tournament expenses and prizes.

Through membership in the Bowling Proprietors Association, these programs are offered in appreciation to you, our customer. It is our continued desire to provide the ultimate in bowling enjoyment to the individual and the entire family.

COURTESIES OF THE LANES

Etiquette and sportsmanship go hand in hand in all forms of sports. Observing a few basic courtesies can add much to your pleasure and scores thus gaining you the respect of your companions.

- The beginner should be helped, not ridiculed. A prospective bowler could be laughed out of the sport. At all times confine remarks to the bench.
- Turn scoremarking duties over to someone else BEFORE it is your turn to bowl. Others can be adept at keeping score as you.
- Be prepared to take your turn promptly. Meet the player ahead of you as he comes off the approach.
- Give right of way to bowlers already on approach. In event corresponding bowlers address the pins at the same time the man on the right should take the initiative.
- Get set for your shot, don't waste your time and everybody else's by useless posing or waiting until everybody in the establishment is off the approaches.
- After each delivery move to the rear of the runway. This assures players in adjacent lanes of no interference from you.
- The runways may not be exactly to your liking, but don't attempt to condition them yourself. The management is much better equipped to do the job.
- When the match is over leave the playing area promptly. Scores can be talked away from the lanes and the next group of bowlers can start their games.
- Play the game to win, but be a gracious loser if you are on the short end of the count when the game is over. Bowling is a social sport.

HOLY NAME BOWLING ASSOCIATION

The Holy Name Bowling Association was organized in 1939 under the auspices of the Louisville Archdiocesan Union of the Holy Name Society. From a modest beginning of 16 teams, the Association has grown to its large present day stature. It coordinates, regulates and promotes the activities of all of its affiliates.

Now in its second quarter century, the Association proves the old axiom of getting better with age. Success stems from team work of the officers from each of eleven divisions under the able leadership of Chairman John Wirth, Vice-Chairman Gene Metzler and Ted Mussler, Secretary-Treasurer.

Competition in bowling is a stimulant which encourages growth and develops perfection. Thus the past Mid-Season Sweepstakes resulted in entries of 100 teams, 170 doubles and 380 singles. The team event was won by Sterling Beer of B. Division, the doubles by O. Thibodeaux and T. Redmann of A. Division and G. Schuhmann of L. Division won the singles.

The Grand Champions of the Association are determined in an end of the season roll-off which pits the team, doubles and singles winner from each of the 11 divisions. Grand Team Champion was St. Columba No. 8 of E. Division; Grand Doubles Champions were C. Beyerle and C. Woods of A. Division and the Singles Grand Champion was R. Dunley of the Major Division.

The Association is sincerely grateful to its many sponsors for their enthusiastic support, and hopes it will merit that continued support for many years to come.

All Holy Name Bowling Association members are looking forward to another grand group of champions in 1967 and a successful bowling season for all.

UNION PRINTCRAFTS BOWLING ASSOCIATION

The Louisville Union Printing Crafts Bowling Association is an affiliate of the Union Printcrafts Tri City Bowling Association, whose purpose is to promote an annual tournament and social gathering for union printers and their ladies. The affair rotates between the membership cities of Cincinnati, Louisville, Indianapolis in the order named. The 20th annual meet is in Louisville, in February, 1967.

A big attraction in these meets, besides the bowling, is the social activities. There is a dance, refreshment room, entertainment, banquet and other diversified affairs of interest. All this makes a two-day gala event. Expenses are met mostly through weekly dues which allows its members to attend tournament activities for a very nominal registration fee.

The local organization was formed from a bowling league which started in 1914 and is still in existence. In 1916 local members invited some Cincinnati members for match games and the result was the formation of the Union Printing Crafts Tri-State B. A. This eventually spread to some 15 cities in the Kentucky, Indiana, and Ohio area. Such a large tournament became cumbersome, so in 1946 Cincinnati, Louisville and Indianapolis formed the Tri-City Association which has proven well balanced, well co-ordinated and very successful.

Most certainly there is no local tournament which compares with the Annual Tri-City Meets insofar as local participation and social activities are concerned. These tournaments draw from 115 to 152 four-man teams. Each year the total registration, including the ladies, runs around 1,000.

The Louisville Association includes some 6 leagues and over 500 members. There were 80 Louisville teams in the 1964 meet held here. About 60 local teams enter the out-of-town meets.

The league delegate must either be a league officer or participant of the league or division of a league he represents.

SPECIAL BY-LAWS

Section 1. Contracts governing league and tournaments for use of lanes for their games are strictly agreements between the leagues or tournament association and the bowling lane proprietor. GLBA is not a party in any way to these agreements or contracts. However, once these contracts are entered into, oral or written, GLBA shall recommend to ABC the suspension of bowlers or proprietors who violate any of the provisions of the contracts.

Section 2. It is the duty of all league secretaries to furnish to the GLBA Secretary the full names, home addresses, team and league affiliations of all bowlers in their league within 42 days after the league begins its schedule, or within 10 days after an individual has joined a sanctioned team.

Section 3. The secretary of each league affiliated with GLBA shall mail or send to the GLBA Secretary the individual averages and team standings in his league upon request by the GLBA Secretary. Failure to do so within the specified time limit set forth in the request shall subject that league secretary to trial before the Board with a recommendation to the legal committee of ABC.

Section 4. Persons desiring to present matters for consideration and action at the meetings of the Council or the Board must notify the GLBA Secretary at least 10 days in advance of such meeting. Such notifications must both be in writing and briefly explain the matters involved including names and addresses of all parties mentioned therein.

All charges made against persons and all statements alleged to have been made by a person, which may bear on any case before the Board, must be sustained by a witness or witnesses at the hearing of such cases, before such statements or charges will be given credence.

Section 5. Official averages of bowlers in GLBA shall be based on not less than 21 games in any one league. No combination of two or more leagues shall be used to make the 21 game minimum. GLBA will recognize averages for the past ten years.

Section 6. Any bowler intentionally delivering his ball in a careless or unusual manner, thereby lowering his average or that of his team, shall be cited for trial before the Board with a recommendation to the legal committee of ABC.

Section 7. For violation of any law or laws of GLBA or ABC, where no specific penalty is provided, the Board shall have the power to discipline individuals or teams as it sees fit.

Section 8. Awards of merit for high scoring achievements in sanctioned league or

tournament play will be for the period of May 16 to the following May 15, inclusive.

Section 9. It is understood that when no specific date is included in a proposed amendment to either the Constitution or Bylaws, the same shall become effective on August 1 following date of adoption. If specific effective date is included in such amendment, this date shall be recognized for both adoption and enforcement.

SPECIAL BY-LAWS

City Tournament

Section 1. GLBA shall conduct an annual city championship tournament at a time decided by the Board, the result of which shall decide the championships of GLBA.

Section 2. All games in the GLBA championships shall be played in strict accordance with the laws, rules and regulations governing tournament play as set forth in the ABC Rules and Regulations and with any rules of GLBA.

Section 3. The tournament shall consist of a five-man event, a two-man event, an individual and an all-events contest. Three consecutive games shall be bowled by each entrant and the highest total pins or highest total pins with handicap shall decide the winner. The winner in each event shall be declared GLBA champion and shall hold title until the next championships are held.

Section 4. Not more than \$5.00 per person may be charged as entry fees in the five-man event, two-man event or individual event and not more than \$2.00 per individual in the all-events.

Section 5. Entries for GLBA championships shall be accepted only from teams and individuals who are bona fide members of GLBA.

Section 6. Bowlers may roll in the five-man event of the city tournament only with as many teams as they are members. (See ABC Rule No. 330 governing city association tournaments). When a bowler is a member of two or more five-man teams entered in the city tournament, his first score in the five-man event shall count towards his all-events score.

Section 7. The Board shall have the right to award the city tournament to any bowling establishment or establishments, which, in their judgment, might successfully conduct such tournament. The Board shall also have the power to name all conditions surrounding the bowling of the city tournament unless otherwise instructed by the Council or expressly covered in these rules or by the ABC rules.

Section 8. Averages for use in the city tournament shall be taken at a date set by the Board and shall be the highest average in any league on that date provided the bowler has bowled 21 or more games.

Any bowler having an average, said bowler being out of the game for a period of time will not be permitted to bowl in the city tournament below his average, unless given an average by the GLBA Board.

Where a bowler has no official average, 160 shall be the minimum average for use in this tournament. The City Tournament Secretary's Office shall have the right to determine any bowler's average.

This standardization of rules and equipment has been a distinct service to the game and the industry supplying its needs

ABC spends \$5,000.00 each day of the year in service to its members.

Its annual award program costs \$350,000.00 alone . . . this includes awards for high individual games of 300, 299 and 298 . . . awards for seasonal high scores in team and individual classifications . . . awards for seasonal high scoring in each city association . . .

YOUR MONEY PROTECTED BY ABC BONDING PROGRAM

All league (both adult and junior), city and state association officers are automatically bonded in the amount of \$5,000. Their funds are also insured against loss by burglary and holdup. To obtain full coverage under these programs certain conditions must be followed in the handling of funds. These are:

1. The funds must be deposited in a recognized banking institution weekly in the name of the organization.
2. The treasurer and one other officer of the organization must co-sign for all withdrawals
3. The president of the organization must verify monthly the balance in the account.

Under the bond only 50% coverage is granted if any or all of these conditions are not observed.

The burglary and holdup insurance covers one week's receipts up to \$1,000 and all authorized withdrawals to \$5,000. Unless funds are deposited in a recognized banking institution, the insurance company is liable for only one week's receipts.

ABC's HOME OFFICE

The national headquarters office of the American Bowling Congress (pictured above) was dedicated on April 25, 1952. This beautiful ultramodern building is located at 1572 E. Capitol Drive in Milwaukee, Wisconsin. An addition has been completed which more than doubles the original capacity of the building. It is here that the Congress' staff of 90 employees, under the direction of Frank K. Baker, ABC secretary, performs the many and varied services of the ABC.

Field offices are maintained in San Mateo, Calif.; New York City, N. Y.; Columbus, Ohio; Atlanta, Ga.; Dallas, Tex.; Portland, Ore., and another in Wisconsin in year-round service to Congress membership.

awards for every championship team in every league and city and state association tournament . . . and additional awards for special accomplishments including the Century Award

Other services feature rule books and a variety of other "tools" essential to the creation and operation of leagues and tournaments. These "tools" include model league constitutions, schedule codes, average calculators and cards, handicap manuals, standing sheets, membership cards and many others

The climax to every bowling season is the colorful ABC Tournament which attracts 25,000 to 40,000 bowlers each year and pays a prize list from \$300,000 to \$500,000. It is the world's largest participant sport show

ABC's annual convention is held in conjunction with its tournament. Rule changes and policy plans are formulated by delegates from 2,000 city associations representing the leagues from local areas.

Delegates elect 75 officers and directors and a Secretary-Treasurer to administer ABC's business. With the exception of the Secretary, these officers serve without pay.

ABC publishes BOWLING magazine and provides a News Letter service on bowling events to the press and radio.

Founded in 1895, it was incorporated in 1903.

Thousands of inquiries on rules and other bowling problems are handled by the office each year. It originates 3,400 pieces of mail every day.

Editor's Note: For additional information on the ABC's awards program and services of ABC we refer you to any of the ABC's rule books. There you will find an outline of these services.

TEN LOUISVILLE TEAMS AT THE 1966 A.B.C. TOURNAMENT

Ten Louisville teams rolled in the 63rd A. B. C Championships at Rochester, N. Y. and the best individual showing was made by Bobby Russell, who tied for 11th in Regular Division all-events with 1936 John Hixson and Ray Park placed highest in doubles (43rd) with 1247.

Billy Hardwick, a pro now rolling out of Louisville, placed 3rd in the Classic All-Events with 2060.

Captain Lou Frantz' defending champion Thermal Lanes team failed to retain its title in the pro Classic Division, placing eighth. However, his Sterling Beer league team, led by Russell's 710 series, tied for 25th in the Regular Division with 2978 for the best Louisville performance.

Vic Bitter rolled in his 41st straight A. B. C., a Louisville record, and said he was looking forward to the 1967 renewal in Miami Beach. The A. B. C. is scheduled at Cincinnati in 1968 and at Madison, Wisconsin, in 1969.

PIN FALL OF 1965-66

By **KEN RUSH**

Courier-Journal Bowling Editor

Rush

Of all the bowlers in the Louisville area, left-hander Ron Brauner quickened heartbeats most by a brilliant individual performance in the United Major League during the season.

The husky 27-year-old not only rolled a 300 game and 784 series, but he came close to back-to-back perfect games. Brauner had one string of 25 consecutive strikes in four games of 205, 300 and 279. He had nine going in the third game before leaving the 4-pin.

At that, he finished with the biggest series ever by a lefty here and tied for third place on the city's all-time list.

Al Kaelin took average honors for the season with a 202, also in the United Major League, but he beat out "rookie" Jim Ewald, Jr., by only 15 pins. Ewald, 19,

rolling for the first year in adult leagues, also had a 202 in the United but his pin carryover was less than Kaelin's. Both had virtually the same number of games as league regulars.

Counting Brauner's 300, the Falls Cities area produced a total of six perfect games during the past year. Elmer Turner, Clyde Eddings, Paul Strickland and Bob Empson, Jr., got theirs in leagues also, while George Anderson hit a perfect game during district eliminations for the annual State Team Handicap Tournament sponsored by the Bowling Proprietors Association.

Two three-man team records were broken during the season. A Thelma Lanes trio captained by Al Kaelin rolled a 3301 for five games in the Summer Three Man Classic at Thelma, besting the old record of 3299. And captain Doris Newton's team, called "Newton's Three," rang up a 764 game—three pins over the old high—in the winter Masters League at Thelma.

In addition, a team captained by Max Weinstein set what is believed to be an all-time record here for three men rolling three games by posting a 1978 in the Thelma Masters. On another night in the Masters, Weinstein rolled a 1417 or successive series of 687 and 730 for probably the biggest six-game league count in one night here.

Virgil (Curly) LaFollette joined the record procession with a new City Tournament high of 765 in the singles handicap event. Rolling at Sellersburg's Silver Creek Lanes, he had a 729 actual series.

In another tourney, Lou Frantz won Louisville's All-Star Championship for his seventh title in state and local eliminations. He was joined in the National All-Star at Lansing, Mich., by Cookie Beam, the women's champ, and eight other Kentucky qualifiers. Among the men, Steve Gonda was the only one advancing to the semifinal round.

Louisville also had a big delegation in the American Bowling Congress Masters Tournament at Rochester, N. Y., sending 10 men along with pro Billy Hardwick, who now calls Louisville his home. Kaelin and Ewald made the finals.

The city's Bowling Hall of Fame, started just a year earlier, inducted three new members Lou Frantz, John J. Martin and the late John A. (Cap) Mazzoni. This brought the membership to 14, including four living and 10 deceased.

The community was saddened by the death of Joe Dries, a bowling figure here for 40 years. Joe, 70, general manager of Parkmoor and Broad Brook Recreation, died after a short illness.

Among the establishments, several management changes were announced. The Brunswick Corporation assumed operation of Olympic Lanes and J-Town Lanes under lease agreements. Woody Axton became owner of Ten Pin Lanes, and two other centers that closed for a time were re-opened. Gene Coover and associates took over Valley Lanes, and Taylor and Betty Underwood went back in charge at Rockford Lanes, which had been renamed Ideal Recreation. The two lanes at Swiss Hall are now closed.
